

CREATIVE ACTIVITY

Instructions:

- Put students into pairs. Tell them they have 5 minutes to invent a story together about a NIGHTMARE EXPERIENCE of COUCHSURFING. Tell them to consider the following aspects: HOST \ HOUSE \ FOOD \ BAD EXPERIENCES
- After five minutes, sit the class in two circles – one inner and one outer – with the pairs facing each other. Rotate all the outer circle one chair to the left. Tell the outer circle to tell their story to their new partner in a MINIMUM OF 2 MINUTES.
- Now rotate the OUTER CIRCLE again and tell them to tell their story AGAIN to the next member of the INNER CIRCLE.
- Feedback from each member of the INNER CIRCLE. Which was the WORST EXPERIENCE in their opinion and why?
- Rotate the outer circle again, only this time the INNER CIRCLE students tell their story.
- Rotate again and repeat.
- Now each member of the OUTER CIRCLE must choose which of the two stories was the WORST NIGHTMARE EXPERIENCE.
