Project instructions

- Ask students to go to this couch surfing website:
<https://www.couchsurfing.com/about/faq/>
- Point out that there are 7 different sections of FAQs, divide the class into at least 3 groups and assign one/two sections to each group.
- **Students will have to:**
 - Read their FAQ sections carefully > open each link and take notes of the main ideas
 - Summarise the contents of their sections in a poster format or ppt presentation
 - Present the information gathered to peers
