

### CREATIVE ACTIVITY

### VOCABULARY DEFINITIONS COMPETITION

- Sit students facing each other – Student A facing the IWB, student B with their back to the board
- Prepare slides of five of the words that came out of the collective glossaries on safety equipment
- Tell student A they have one minute to provide a definition of all five words without using the words on the board
- Student B must guess the word from student A's definition
- All pairs play simultaneously for one minute
- At the end of one minute the teacher collects information about the number of words students managed to guess
- Repeat for various slides with various lists of five words, changing the roles of definer and guesser
